T.O. PLATE

It's the perfect reflection of your style.
With custom trim designs, Delden can provide a style that compliments your home in a way that enhances every unique feature. With a steel insulated low maintenance decorative look, you will be the talk of the neighborhood. Choose from our selection of decorative hardware and add the final touch to your masterpiece. We can construct any custom design imaginable, as long as the finished product can move in a vertical plane.

Steel Trim Collection

NELSON I

SUBURB

NELSON I

TRIM DESIGN OPTIONS:

- Low Maintenance Polyurethane
- Smart Trim
- Cedar

All trim design applications must be finish painted within 30 days of door installation to activate warranty.

You can have the perfect garage door.

The good news is you do not have to design your garage door from scratch (although, that option exists). Today's garage doors offer a wide variety of customized features, allowing you to find a garage door that expresses your individual style.
